# Spain • The Blue Moods Of Spain

restless rpro-065

This intoxicating debut from Spain, featuring Josh Haden (son of jazz great Charlie Haden), guitarists Ken Boudakian and Merlo Podlewski and drummer Evan Hartzell, pairs themes of heartbreak and redemption with silken-smooth, atmospheric late-night groove music. Tinged with elements of West Coast jazz, blues and '60s soul, *Blue Moods* stunningly showcases the accomplished talents of Spain's players.
